STRATEGIC DIRECTIONS FOR 2015-2017
When staff did their first afternoon session in lieu of the last SDD on Friday 19 December they came up with their three strategic directions for the next three years. These are:-
- Implementation of the new syllabus documents
- 21st century learning
- Wellbeing

Our 2nd afternoon session will be held this Thursday, 30 October. We will continue planning for 2015 focusing on our strategic directions that will be written into the 2015 school plan.

WHAT ARE YOUR PLANS FOR 2015?
We are currently reviewing our student numbers for 2015 and have commenced planning. If you definitely know that your child will NOT be attending our school in 2015 would you please inform the school, in writing, to the school office immediately. If you know of someone who will be enrolling their child next year, please encourage them to contact the school office and enrol as soon as possible.

If you are considering repetition for your child, please make an appointment with your child’s teacher by the end of Week 3 as this process can take several weeks.

Parents are invited to write to me should they wish to provide information about their child’s social needs that may impact on their placement next year. Even if you have let us know in previous years please inform us again as things change over time. Personal requests for a specific teacher however cannot be met.

BUSWAYS BUS PASSES FOR YEAR 3 STUDENTS IN 2015
Transport NSW requires a new application form for free travel from students who are progressing from Year 2 to Year 3 in 2015.
The school office has sent home new bus pass applications to Y3 families that are still eligible for free travel in 2015.
Eligibility for a free bus pass is as follows:
- an infant student (K-2) regardless of the distance between their home and school
- primary student (Years 3-6) who lives more than 1.6 kms (radial distance) from school, or 2.3 kms or more by the most direct practical walking route to the nearest entry point to the school.

If your child is moving into Year 3 in 2015 they may no longer be eligible for a bus pass due to their proximity to the school. In this case you may need to pay a fare for them to travel on the bus.
A term bus pass can be purchased from Busways. Students must show their pass or pay the bus fare every time they get on the bus. Please contact Busways head office on 9497 1861 if you have any questions.
The following website has more information regarding passes: http://www.busways.com.au/travelling_with_us/school_bus_passes

SKOOLBAG APP - INFORMATION

Just a note to let you know that with Apple's latest iOS 8 update they have managed to break various functions in the Skoolbag app. We are aware of these issues including push notifications not working, and to rectify this we are currently updating the apps with a new version.

Please note that the issue does not affect users who are still running iOS 7.

For current Skoolbag customers your app will be upgraded to 2.6.0 version. Updates are being submitted daily to Apple who then take around 5 - 7 days to approve them. You can expect the update will be ready for download within the next 2 - 4 weeks. For new Skoolbag customers (within the last 7 days) your apps are being submitted with the new 2.6.0 version.

If your school or parents have any more questions, please email support@skoolbag.com.au for more information.

We thank you for your patience in this matter, as this was an issue that was beyond our control.
