ALLERGIC REACTIONS TO FOODS
A reminder that students at the school are severely allergic to eggs, peanuts, pistachios, cashews, stone fruit, blueberries, grapes and tomatoes. While all students who have allergies are aware of procedures to take to protect themselves and staff are trained in anaphylaxis procedures, requesting that these foods are not brought to school is a whole school community action that can prevent a tragedy. Thank you for your support.

MOZZIES
Please send your child with repellent daily.

WHAT ARE YOUR PLANS FOR 2015?
We are currently reviewing our student numbers for 2015 and have commenced planning. If you definitely know that your child will NOT be attending our school in 2015 would you please inform the school, in writing, to the school office immediately. If you know of someone who will be enrolling their child next year, please encourage them to contact the school office and enrol as soon as possible.

A reminder that carparks are for staff, emergency vehicles or disabled parking only. Thanks for your co-operation in this matter.

FRUIT AND VEG MONTH AT BRISBANIA

Fruit and Veg Month is about trying new foods and developing healthy eating habits for the future. Variety is the key! Eat fruits and vegetables of many different colours every day to help ensure your children are getting a wide variety of nutrients.

Vegetables, both raw and cooked, are a great snack. Research shows Aussies don't eat enough of them. Pack some in your child's lunchbox for them to have during Crunch and Munch time.

Each Wednesday this month our canteen will have a special fruit or vegetable item for students to buy.

Remember: Fruit and vegetables are neat;  
they make you feel good from your head to your feet!
