ENGAGING ADOLESCENTS

The teenage years can be a challenge. Parents often struggle to maintain positive relationships with their adolescent children.

- How do you set limits?
- What behaviour is acceptable and what isn’t?
- What do we do when an adolescent has behaved in a way that breaches family values and expectations?
- The answers aren’t always clear cut.

The Engaging Adolescents program helps parents learn some new skills to make life with their adolescent more peaceful and enjoyable for all. It is designed to give parents relevant, current information and practical strategies for dealing with adolescent behaviour.

I recently completed the necessary training to deliver this program to parents and I am hoping to conduct this course at Erina H.S. early in Term 3, 2015. This is an open invitation for parents interested in learning new skills to move towards better, more open, communicative relationships with the adolescents in their lives.

At this stage I am asking parents who are interested in attending the course to contact me so that I can get an idea of possible numbers. The course will run in the first 3 weeks of Term 3, 2015 and will consist of three two hour sessions. These sessions will take place during school hours. The cost will be around $12 for the Parent Workbook.

If you are interested or have questions regarding the course please contact me at Erina H.S. on 43 677 353 or by email on michael.lamm@det.nsw.edu.au

I look forward to meeting you at the course and presenting ideas and strategies that may make a difference.

LIBRARY NEWS (Book Parade, Book Fair, Author Visit & Returns)

It is almost that time of the year again when all students will be participating in the Parade to celebrate Book Week at Brisbania. This day will be on Thursday 30th July and a note will be sent out at the beginning of next term with further details.

As usual, a Book Fair will also be held at the school library. Parents will be able to purchase a book to donate. Their child’s name will be placed on a sticker certificate inside the book that shows they have donated it, to acknowledge the support given. Along with this we will have a selection of old library stock that will be available to purchase for a gold coin donation. Payments can be made by cash or cheque only (no credit card facilities will be available).

Leading up to Book Week on Thursday 23rd July, well known Australian Children’s author and illustrator Dr Cameron Stelzer will be visiting. All parents are welcome to attend this special day. Details about session times and the event have been sent to students.

Just a reminder that seeing this week is the last one before the school holidays, all books are due back at the library. With the school library being closed over the holidays, I encourage all students to make use of the Gosford City Council Public Branch Libraries at Kincumber, Erina Fair or Gosford, if the opportunity arises. They all have a great range of resources including books from the Premier’s Reading Challenge.

Happy reading
Paul Lemmon (Teacher Librarian)
