SPORT IN SCHOOLS
In Term 3, students from K-6 will be involved in a 5 week sports program run by a professional company program called Sport in Schools. Years Three to Six will be for the first 5 weeks, followed by Kindergarten, Year One and Year Two for the last 5 weeks of term.

This is a wonderful opportunity for the students to experience specialised sport activities using a variety of equipment at school run by qualified teachers. Class teachers will also be present at each session.

The cost of the program is $25 per student. Please complete the slip below and return it with your full payment by Wednesday, 24th June.

GIVE ME 5 FOR KIDS
We will be supporting the Central Coast's drive for Give Me 5 For Kids on the last day of term - Friday 26 June - by wearing our PYJAMAS and bring in a gold coin donation to help children sick in hospital.

DISCO
Our next disco will be held on the last Thursday of term, 25 June.

PARENTAL EXPERTISE

NETBALL
The school netball team played the first round in the PSSA Knockout competition last Tuesday. They played at home to Empire Bay who had a strong team including some Rep players. Our girls played with 100% effort to the final whistle, despite being beaten 27 -1. A great goal from Bellina and an impressive fall by Allegra! They showed a positive attitude towards each other and the opposition throughout the game. Well done, girls! I look forward to seeing most of you return to the school team next year. Hopefully we will be able to set up an after school netball club in Term 4 with the help of some of your keen and supportive parents! Thanks again to Sharon Dicker for your help and to Kristen Horton for umpiring. Mrs Self

SOCCER
Last Thursday, the Boys and Girls Soccer teams took part in a local school gala day to play the first three rounds of the PSSA knockout competition. Thirteen teams participated in the day, playing on two pitches at Frost Reserve, Kincumber. Both the Girls and Boys got off to a fabulous start winning their first round games, boys 6-0 against Woodport and the girls 4-0 against Wamberal. The boys then went on to play Avoca in the second round and despite giving it their all, they lost 3-0. The girls played Erina Heights in their second round and won 2-0. They then went through to the third round and played Copacabana. A very tense game was played with our girls leading early on but Copa came back to make it even. Unfortunately in the last few minutes, our team was caught off guard through a fall and Copa was able to score a winning goal. Well done Lauren, Mia, Hayden and Connor for scoring some cracking goals and to all of the players for displaying some excellent soccer skills and sportsmanship. I am so proud of you all and enjoyed encouraging you all from the sideline. Your efforts were evident in all the sweaty socks I washed that night! Thanks to all the parent help with transportation, goal dismantling, coffee purchasing, money counting and your fantastic support throughout the day. A sunny and successful day of soccer! Mrs Self
STAGE 3 RUGBY LEAGUE
Our Stage 3 Rugby League team played Umina PS with a very close game to Umina 11-10 on extra time on Friday. Thanks to Mrs Crompton and parents for support. Well done, boys, a great effort!

Should more damage occur, we may need to charge parents of students who damage the iPads for repair costs.

GOOD JOB!
ENGAGING ADOLESCENTS

The teenage years can be a challenge. Parents often struggle to maintain positive relationships with their adolescent children.

- How do you set limits?
- What behaviour is acceptable and what isn’t?
- What do we do when an adolescent has behaved in a way that breaches family values and expectations?
- The answers aren’t always clear cut.

The Engaging Adolescents program helps parents learn some new skills to make life with their adolescent more peaceful and enjoyable for all. It is designed to give parents relevant, current information and practical strategies for dealing with adolescent behaviour.

I recently completed the necessary training to deliver this program to parents and I am hoping to conduct this course at Erina H.S. early in Term 3, 2015. This is an open invitation for parents interested in learning new skills to move towards better, more open, communicative relationships with the adolescents in their lives.

At this stage I am asking parents who are interested in attending the course to contact me so that I can get an idea of possible numbers. The course will run in the first 3 weeks of Term 3, 2015 and will consist of three two hour sessions. These sessions will take place during school hours. The cost will be around $12 for the Parent Workbook.

If you are interested or have questions regarding the course please contact me at Erina H.S. on 43 677 353 or by email on michael.lamm@det.nsw.edu.au

I look forward to meeting you at the course and presenting ideas and strategies that may make a difference.
