Canteen Nutrition Information
Canteen food across NSW is categorised according to nutritional content. To make choosing the right foods for children easy a “TRAFFIC LIGHT” system has been introduced. GREEN foods are healthy choices, AMBER is for sometimes, and RED foods are special occasion foods and are not allowed to be sold by school canteens except on special occasions.

Anyone cancelling an order of perishable food who does not inform the canteen before their lunch is cooked or made will not be given a refund. They may however take their lunch with them.
