K-2 Rugby League Program

Dear Parents,

This term, K-2 students will have the opportunity to participate in three clinics run by Country Rugby League. They will begin with a story about Bluey and Red, two cattle dogs who create their own game of Rugby League. The program is non-contact and designed to assist all students’ spatial awareness development.

The sessions will be held on Tuesday 3rd, 10th & 17th November, 2015.

There is no cost involved and all students are encouraged to participate.

Kim Crompton
Organising teacher
